

PATHWAY **2** PROFESSIONALISM

## Energize Your Team With APPA Development At Your Campus

The educational facilities profession is constantly evolving. APPA's Pathway to Professionalism (P2P) can help you keep pace! With P2P, you have access to APPA's robust Customized Interactive Learning platform coupled with onsite instructor-led training at your campus.

Attendees train when – and where – it's convenient for them. There's no need to worry about time away from home, lost productivity or travel expenses. P2P makes it easy for everyone while maximizing learning and minimizing costs.

### Organizational Development

With P2P, you'll provide a richer professional development opportunity for your team.

- Attendees learn about aspects of the industry that their current jobs and experience would otherwise not provide.
- Attendees will view the program as a demonstration of your institution's commitment to their ongoing development.

### Team Building

P2P allows you to bring colleagues together and fosters a sense of camaraderie and shared experiences.

- Attendees navigate the process together and not only learn about facilities management, but also get to know others with whom they may not interact with on a regular basis.
- Including technical service workers or outside facilities customers breaks down barriers, creating a shared sense of respect of responsibilities.

Attendees earn professional development credits!

Qualified employees may take the CEFP Examination at no additional cost!

### Training Grounded in Your Culture

Be confident that you're providing meaningful training with P2P.

- Attendees learn how your specific organization operates so they can immediately apply what they've learned to their own situations.
- A broader understanding of concepts in the Body of Knowledge leads to a better understanding of the organization as whole.

## Bring APPA's Pathway to Professionalism to Your Campus

You'll get:

- Four separate days of instructor-led training at your campus exposing attendees to APPA's core areas of the Body of Knowledge;
- Printed course materials and corresponding PowerPoint presentations;
- 90 days of 24/7 access to our Customized Interactive Learning platform, providing online study tools such as practice exams, recorded webinars, narrated modules of the Body of Knowledge, flashcards and more; and
- The option for qualified attendees to take the CEFP exam at no cost (plus one free retake) within 30 days of the end of the session.

If you have at least 20 attendees to train, we'll come to you for just \$1,195/person with no extra costs from APPA. Contact us today to learn more!
