

A BILL TO BE ENTITLED  
AN ACT

relating to human sexuality education in public schools.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subchapter A, Chapter 28, Education Code, is amended by adding Section 28.0041 to read as follows:

Sec. 28.0041. HUMAN SEXUALITY EDUCATION. (a) In this section:

(1) "Age-appropriate" means suitable to particular ages or age groups of children or adolescents, based on developing cognitive, emotional, and behavioral capacity typical for the age or age group.

(2) "Medically accurate" means supported by peer-reviewed research conducted in compliance with accepted scientific methods and recognized as accurate by leading professional organizations and agencies with relevant experience, such as the American Medical Association.

(b) A school district shall provide human sexuality education in accordance with this section at grade levels specified by the State Board of Education.

(c) The State Board of Education by rule shall adopt the essential knowledge and skills for medically accurate, age-appropriate curricula to be used by a school district in providing human sexuality education under this section. As age-appropriate, the curricula must:

(1) include affirming information regarding gender identity, gender expression, and sexual orientation;

(2) cover human sexuality, pregnancy, and sexually transmitted infections;

(3) discuss human sexuality as a normal and healthy aspect of human development;

(4) discuss:

(A) consent as an unambiguous and voluntary agreement from each participant to engage in each physical act; and

(B) the importance of respecting personal boundaries;

(5) present abstinence from sexual activity as the preferred choice of behavior in relationship to all sexual activity for unmarried persons of school age;

(6) devote sufficient attention to abstinence from sexual activity to emphasize the importance of abstinence;

(7) emphasize that abstinence from sexual activity, if used consistently and correctly, is the only method that is 100 percent effective in preventing pregnancy and sexually transmitted infections;

(8) provide information about the health benefits, side effects, and proper use of the methods approved by the United States Food and Drug Administration for preventing unintended pregnancy and reducing the risk of contracting sexually transmitted infections;

(9) cover women's health, including the importance and purpose of regular gynecological exams, Pap smear screenings, and

testing for sexually transmitted infections;

(10) promote relationship, communication, and decision-making skills, including strategies to:

(A) develop healthy, age-appropriate relationships;

(B) develop healthy life skills, including critical thinking, problem solving, effective communication, and responsible decision making about sexuality and relationships; and

(C) promote effective communication between adolescents and their parents, legal guardians, or other family members about sexuality and relationships; and

(11) discuss the basic protections provided by Title IX of the Education Amendments of 1972 (20 U.S.C. Section 1681 et seq.) regarding sexual harassment and sexual assault or abuse, including:

(A) a student's rights under that provision;

(B) how to identify and report incidents of sexual harassment or sexual assault or abuse; and

(C) the availability of relevant services for victims of sexual harassment or sexual assault or abuse, such as mental health or trauma counseling, academic accommodations, or health service referrals.

(d) A school district may separate students according to sex when providing instruction under this section.

(e) A school district shall make all curriculum materials used in the district's human sexuality education available for reasonable public inspection.

(f) A school district shall adopt a policy regarding whether male or female condoms may be distributed in connection with human sexuality education.

(g) A school district shall adopt a best practice-based policy regarding the provision of **menstrual products** to students enrolled in the district.

(h) A student shall be excused from human sexuality education on the written request of a parent or legal guardian without being subjected to any disciplinary action, academic penalty, or other sanction imposed by the school district or the student's school.

(i) Before each school year, a school district shall provide written notice to a parent or legal guardian of each student enrolled in the district of the intent to provide human sexuality education under this section. The notice must include:

(1) a summary of the basic content of the human sexuality education to be provided to the student;

(2) the district's policy on the distribution of condoms in connection with human sexuality education; and

(3) a statement of the parent's or legal guardian's right to:

(A) review curriculum materials as provided by Subsection (e); and

(B) remove the student from any part of the district's human sexuality education as provided by Subsection (h).

SECTION 2. Section 12.104(b), Education Code, as amended by Chapters 324 (S.B. 1488), 522 (S.B. 179), and 735 (S.B. 1153), Acts of the 85th Legislature, Regular Session, 2017, is reenacted and amended to read as follows:

(b) An open-enrollment charter school is subject to:

(1) a provision of this title establishing a criminal offense; and

(2) a prohibition, restriction, or requirement, as applicable, imposed by this title or a rule adopted under this title, relating to:
