

APPA/Gordian State of Facilities Survey

Over the last year, we have collaborated with Gordian on the *State of Facilities in Higher Education* report. This year, we would like to contribute information through a query of our membership about the current pressures that are driving your planning for the coming year and beyond. We hope you will take a few minutes to complete this short 5-10 minute survey so these results can be utilized in the report this year.

Is student enrollment in this academic year:

- larger than 2019
 - roughly the same as 2019
 - smaller than in 2019
-

Are you anticipating the impacts from an expected enrollment drop by the middle of this decade (2025-2026):

- Yes
 - No
-

Over the past year, has your operating budget been:

- Reduced
- Remained the same
- Grown

Over the past year, has your capital budget been:

- Reduced
- Remained the same
- Grown

With respect to space over the next five years, is your institution considering:

- shrinking the amount of space in use
 - keeping space the same
 - growing the amount of space
-

Compared to 2019, is your operational staff:

- smaller
 - about the same size
 - larger
-

Compared to 2019, is your capital/planning staff:

- smaller
- about the same size
- larger

With respect to your staffing, are you considering changes to your organizational structure in response to the impacts of the pandemic?

Yes

No

With respect to “return to work” policies, is your institution:

expecting most full-time staff to return to the physical campus

expecting a significant percentage of employees working in a more hybrid configuration

Other _____

Did you gain increased influence with your senior leadership as a result of the pandemic?

Yes

No

OPTIONAL Response Request: We'd greatly appreciate knowing how you gained increased influence if you'd like to share an example with us.

From the list below, please identify your **top three areas** of concern for the future:

- Sustained pandemic conditions
 - Finding employees to fill vacancies
 - Finding employees with necessary skills to fill vacancies
 - Budget sufficient to meet needs
 - Enrollment over 5-10 years
 - Physical campus that doesn't match your school's needs going forward
 - Materials and supply availability
 - Ability to support a hybrid work environment
 - Decline in public support for higher education
 - Other areas of concern not mentioned
-
