## APPA Recertification Activity Chart

## When submitting points for recertification, you must submit proof of attendance. If you are selected to be audited, more documentation may be required in order for your points to be approved.

NOTE: This QAC has been revised to use the word "points" instead of "APPA Units" as a measurement tool. Previous APPA Units earned can be considered as points and are equal in value for the purpose of recertification. For example, 1 APPA Unit equals .1 CEU or 1 point.
